Thanks and Ok,

I just sent it to Nawi as an FYI. At that time, I actually thought you had a copy yourselves, but now reading your email I realize that Michael just sent you his email, not the draft letter. I don't see any problem with you having it though.

Hey Mike,

Just wanted to let you know that David Nawi sent this to us. Mike J said he would share a draft version of your letter concurring with DWR but maybe he didn't tell you to share it with us or maybe he changed his mind. Either way, we have a copy and I thought you'd want to know.

I hope all is going well.

Erin

David -

Just left you a voicemail. Glad Mike shared this draft with you as well as I was planning to call you to explain our disagreement with the Corps on this step. - Karen

FYI. On a very quick scan of the letter, it looks like the Corps doesn't intend the BDCP EIS to serve as the 404 LEDPA.

Purely as an FYI:

We're going to try to get a letter signed tomorrow agreeing on the overall purpose, which is a step in our evaluation of a application for a section clean water act permit. Attached is a draft.
